2008 HONORABLE MENTION

2009 HONORABLE MENTION

Dear Junior Golfer and Parent(s),

As we look forward to the 2011 golf season we continue to strive to be the best junior program in the area. Because of your support and continued participation, Door Creek Golf Course has received an **HONORABLE MENTION in 2009 and 2008 and a NATIONAL AWARD in 2007 for a TOP 50 JUNIOR PROGRAM IN THE NATION from US Kids Golf.** We would like to thank all of you who were part of our junior program for the past few seasons as we will continue to make every effort for perfection in the following years for all new and returning students.

The key factors to ensure success for our program are: fun, honesty and knowledge.

We make it very clear that all students should be here to have fun. It is the most important thing we teach and practice each and every season.

Honesty plays a very important role in our program. Counting all of their strokes, playing by the rules, and calling penalties on themselves are all examples of integrity in our sport.

We want all students to be knowledgeable about the game of golf. We want them to go home and tell their parents or grandparents something about the game of golf or the rules that their elders are not aware of.

DOOR CREEK GOLF COURSE JUNIOR PROGRAM MISSION STATEMENT

WE WILL PROVIDE A SAFE, FUN, FRIENDLY LEARNING ENVIRONMENT FOR ALL STUDENTS THROUGH TEACHING THE IMPORTANCE OF SELF IMPROVEMENT, CONFIDENCE, RESPECT AND GROUP PARTICIPATION.

The 2011 junior program will be divided into three groups: Introduction to Golf , Intermediate and Advanced.

INTRODUCTION TO GOLF: This program is catered to the student that is very new to the game of golf and has played very little or not at all. This program is strictly instructional starting with the very basic fundamentals of the game and concluding with playing a four hole scramble on the executive course. This is a six week program on Friday mornings with two sessions available, ~~8:45 a.m. to 9:45 a.m.~~ **or 10:00 a.m. to 11:00 a.m.** Each session is limited to 20 students. Classes will begin Friday, June 24th and conclude Friday, July 29th. The cost is \$90.00 per student. This program is available on a first come, first serve basis.

INTERMEDIATE GOLF PROGRAM: This program is for juniors who have two to four years of experience and can play 9 holes on our par 30 executive course. Students should have some knowledge about the game of golf and etiquette as well. The intermediate program includes 30 minutes of instruction conducted before they play 9 holes supervised on the par 30 executive course. This is a seven week program on Wednesday mornings with three sessions available, **8:00 a.m., 9:00 a.m. or 10:00 a.m.** Each session is limited to 32 students. Classes will begin Wednesday, June 15th and conclude Wednesday, July 27th. The cost is \$130.00 per student. This program is available on a first come, first serve basis.

ADVANCED GOLF PROGRAM: The advanced program is geared towards juniors who play golf on a regular basis, and are looking to be slightly more competitive. These juniors should be able to play a slightly competitive 9 hole round on a regulation course while keeping a good pace of play. This program is for juniors who strive to improve their game to the next level. Whether it is high school golf or junior tournaments, we will make every effort to prepare the student for these situations. The advanced group will play 9 holes weekly on the front 9 of the our regulation course and will receive 30 minutes of instruction before their round along with on course instruction and rule decisions throughout the round. This is an eight week program on Wednesday mornings with one session available at **10:45 a.m.** The session is limited to 32 students. Classes will begin Wednesday, June 15th and conclude Wednesday, August 3rd. The cost is \$185.00 per student. This program is available on a first come, first serve basis.
