

L2G is an award winning player development program taught by our PGA Professionals and is geared towards players new or returning to the game of golf. All of our programs run for 6 weeks. We offer 2 sessions of ladies learn to golf. Session 1 begins early June and session 2 begins early August.

Programs Offered

Level 1 ~ Introduction

Level 1 is for our beginner or lapsed players and will teach you the basic fundamentals of the game. After a walk through the bag we begin with the importance of the grip and setup while building the swing. An introduction into the rules and parts of the golf course will conclude Level 1.

Level 2 ~ Intermediate

Level 2 is our intermediate golfer program, players that have been playing and have a good foundation of the setup and swing. A quick overview of the basics set the tone for a more in depth look at the swing. New rules and various formats of play are introduced getting you ready to feel comfortable on the course.

Level 3 ~ On Course

Level 3 is our on course teaching program, players will pair up in groups of 4 and have an instructor join them. Throughout the six weeks we will cover different aspects on course such as what clubs to hit when, various course management & strategy as well as live rules explanations. We realize there are many things we just cannot cover on the lesson tee but can while your playing. Once you complete level 3 you will have a great grasp for the swing, rules and course management and you will be ready for future golf leagues or events.

Level 4 ~ Play League

Level 4 is a playing only league. Players are encouraged to grab a few friends, register and obtain a weekly tee time. You will play a mix of scramble, alternate shots and individual games. Golf shop credit is earned for players / teams winning weekly events but this league is meant for a fun and relaxing night on the Executive Course.
